

Candidate for Secretary-Treasurer:

Brice Ballard, FSA, MAAA

Brice is the Vice President of Product Management at Physicians Mutual. He began his career as an Actuary in 1996 and has been with Physicians Mutual since 2002. His current responsibilities include management of the Medicare Supplement and Annuity product lines. His experience over the past 12 years includes pricing, product design, financial analysis and marketing of a variety of Life and Health insurance products.

Brice received a Bachelor of Science degree in Actuarial Science from the University of Iowa in 1996 and completed the requirements for his FSA in 2001. He has served on various industry committees including LIMRA's annuity committee and LTC/DI committee as well as the SOA's course 8I and exam 200 grading committees. In addition he has written articles and presented at actuarial and other industry conferences on a variety of topics including Competitive Intelligence, Hedging, Annuity Suitability and Regulation.
