Ms. Paula Hodges
Secretary/Treasurer
Nebraska Actuaries Club
2940 South 84th Street
Lincoln, NE 68506

Dear Ms. Hodges:

On behalf of the Actuarial Foundation, I want to thank the Nebraska Actuaries Club for coming to the aid of students in need. Your generous gift of \$1,000 to the "Rebuild Math Classrooms" program is greatly appreciated.

This gift will help provide math classrooms and programs affected by hurricanes Katrina and Rita with math related materials necessary for students to continue their education. Schools that received extensive damage or that have taken in displaced students will benefit greatly from the actuarial profession coming together during a time of crisis to help those in need.

Please visit our website at www.actuarialfoundation.org for updates on the progress being made by the "Rebuild Math Classrooms" program. We anticipate posting photos, thank you notes, etc., from recipients in the near future.

Thank you again for supporting this worthy endeavor.

Sincerely,

Rita Lietz
Development Program Manager
The Actuarial Foundation

No goods or services were received for this charitable contribution. FEIN 36-3968441
