

Nebraska Actuaries Club

2002 - 2003

The second meeting of the 2002-2003 year for the Nebraska Actuaries Club was held on November 19, 2002 at the Clarion Hotel in Omaha.

The featured topic was genetic testing. Past NAC President and Mutual of Omaha Chief Actuary Cecil Bykerk FSA shared the tape from a public television forum that he participated in on the subject and followed that with a presentation detailing the current status of proposed legislation. Handouts are available on the web site. Thanks to Alyssa Schnack, Assistant Vice President and Actuary at Jefferson Pilot Financial, for helping to plan the session as a member of the Program Committee. Thanks also to Stephanie Noonan of Mutual of Omaha for her work as a member of the arrangements committee.

Club President Marv Ehly, VP-Corporate Finance at Woodmen Accident & Life, opened the business portion of the meeting. There was no old business to report on. For new business Marv described a financial offer that the club has received from the Nebraska Insurance Federation. They have funds to spend on education and have solicited our help to do so. The club is likely to expand its scholarship program for the 2004-2005 school year as a result of this partnership.

Club Secretary/Treasurer Max Rudolph, VP & Actuary at Mutual of Omaha, provided the Treasurer's report, indicating a balance of \$15,034.68 as of 10/17/2002. He then asked David Cook to say a few words about Past President Fenton Isaacson, who recently passed away.

The next meeting will be held in Lincoln and will be the President's Meeting. Students, both those in college and employed but not yet eligible for club membership, are welcome to attend.
