Program Committee Meeting Minutes

July 22, 2003

The Program Committee of the Nebraska Actuaries Club met on Tuesday, July 22, 2003 at Mutual of Omaha. In attendance were Max Rudolph, Linda Whitmire, Stephen Abels, Marilou Halim, Allen McInerney and Merlin Miller.

The committee discussed the suggested meeting topics and forums from the recent Board meeting and agreed upon the following program details for the 2003-2004 club year.

The first meeting will be held in Omaha with a target date of September 25th. Next preferences would be September 23rd, 22nd and 24th, respectively. Marilou Halim will be in charge of this meeting. Marilou will contact economist Dr. Ernie Goss from Creighton University as a potential speaker. Following the speaker will be two workshops: one on life and annuity issues, the other on health issues. We may try to put a list of potential workshop discussion points on the NAC website prior to the meeting. The first speaker will be approximately 45 minutes and the workshops one hour.

The second meeting will also be held in Omaha with a target date of mid-November. Stephen Abels will lead this meeting. This meeting will focus on risk management possibly including the RBC Phase II C-3 risk, secondary guarantees and the new risk management section. The format will be a panel discussion with possibly two national speakers.

The President's meeting will be the third meeting and will be held in Lincoln in the spring. This is the meeting that students from UNL, UNO, Creighton and Doane are invited to attend, as well as college faculty. Merlin Miller will be in charge of this meeting. Merlin will try to schedule Barbara Lautzenheiser, the incoming AAA president, as the main speaker (50-60 minutes). A second speaker may discuss volunteer opportunities with the SOA, AAA, etc., the new E&E format scheduled for 2005 or some other topic with interest to the students attending. Preferably the second speaker would be from the SOA or, possibly, Warren Luckner. We would like the current, as well as former, scholarship winners to attend this meeting. Max will provide some SOA/AAA contact information to Merlin.

The R&R meeting will be held the first Monday of June. Allen McInerney and Max Rudolph will plan this meeting. We would like to target one of the courses near Eagle this year.

Each Program Committee member will need to work closely with their Arrangements Committee member to ensure a successful meeting. It was discussed that one of the Omaha meetings be held possibly at the new convention center.
