The second meeting of the 2007-2008 Nebraska Actuaries Club was held on Thursday, December 13, 2007 at Tiburon Golf Club in Omaha

President Lance Grigsby opened the program. After welcoming the guests, Lance turned over the podium to program committee member Joe Christopherson. Joe introduced our two presenters, John Parks, President elect of the AAA and Stuart Klugman, currently from the SOA.

John's presentation covered the strategic plan and the mission of the American Academy of Actuaries. The theme was "Blueprint for the Future". Stuart gave an SOA education update including CERA and professional development requirements. Both speakers entertained questions from the club members.

Club President, Lance Grigsby, Mutual of Omaha, opened the business meeting. He introduced Jennifer Wooster, Secretary-Treasurer, Ameritas, who gave her report. She reported that the club had a bank balance of \$12,014.05. Joe thanked the speakers again and presented them each with a gift. Lance reminded the membership that R&R Day is tentatively scheduled for June 9th 2008 at Woodland Hills.

The next meeting will be scheduled for Spring, 2008.

The meeting adjourned.
